“ Doc Murphy was a friendly neighbor on Slack Hill for about 10 years. Whenever we stopped to talk with Doc he was aware of what our son had been up to at school and sports and readily made positive comments and good conversation about him. He also took an interest in my wife and once even told me I should buy her a different car because he didn't think hers was safe enough for a good woman like her. We've been missing Doc. Our thoughts and prayers are with the family.
