Tribute Wall

“ My heartfelt sympathy to Gary and the family for the loss of your Mom. One of the truly neat things about Karen's recent celebration of life was how several folks of the "old" neighborhood responded. May you be comforted knowing you are not alone in your grief and you are in my thoughts and prayers.

“ Joanne and Gary,
I was so sorry to hear of Maxine's passing. But she had a great run! 90 years old! I remember working at UNI Security where she dispatched waaaay back in the seventies! She always had a smile and a hearty laugh. She was one of the high points of coming to work. And being the only female working Security I really counted on her to talk to. But I know she left a great legacy behind in her children and grandchildren. And she knew she was loved!
