“ We love you dearly Gram, and you'll be missed. We are happy though because we know you have wanted to go home to our Lord for a long time and now you have. We will always cherish the Sunday dinners and truly miss your homemade chicken and noodles and potato salad that only you could make the way we all loved. Rest in peace Gram and give Mom and Grandpa a hug for us. Love you always

“ I have wonderful memories of Maxine. I remember summers that Grandma Salsbury, Carol and I went to Carroll and stayed a week. Maxine would make a dress each for Carol and I. She made one of my all time favorite dresses. Grandma would cook for most of the week for Maxine. Joni, Carol and I would go to the movies or go down to see the horses or just hang out. Maxine was just so nice to us and we loved her.

“ Maxine was a most special lady. She loved her life as wife, homemaker, mother, and grandmother. I first new her when I was about 17. She treated me as a daughter. She was a fantastic cook. I remember her Sunday chicken dinners and she always invited my boyfriend(future husband). We went back over old memories shortly before her death over the phone. I have never met a more "UP" person in my life. She was alway grateful for her life, no matter what physical problems she had. Never complained.

“ *i have good memories of visiting Maxine with my mom Coralie when I was a little girl. She was such a nice lady. My mom thought the world of her! I know she wishes she was able to visit her more after she moved. My sympathy to her family.*
