“ Our thoughts, prayers and condolences go out to Mike's family. Mike was a neighbor of my sister. We shared many Sunday meals with him as well as during the holidays. Mike will be greatly missed, but never forgotten. May you have many precious memories.

“ My condolences to the family. I met Michael a couple years ago as I was his property manager at Russell Lamson. Michael soon became my favorite resident. He would come to the office and ask me every question under the sun. I enjoyed are times together as I really got to know and understand him. I will miss that great big smile and little giggle when he was happy. I stayed in touch with him when I left and brought him some CD's he was so happy as we all know how much he liked his music. I may have not know him long but he will always have a special place in my heart. Michael will be greatly missed. God truly has an angel. Soar high my friend!
