“ To the family of Mike Harrington, It's with a heavy heart that I send my condolences to my friend Mike Harrington's family. I have so many wonderful memory's of Mike. He and I grew up together and was a close neighbor of mine. I nick named him "Harry" , he taught me songs on the piano, he threw me football passes and the base ball in my back yard. I played most sports in junior high and high school and I attribute allot of my skills to the hours Mike helped me. I remember sticking up for Mike if anyone would say something cruel about his cast. Nobody would say anything when I was around. Harry was special to me, what a gentle and decent person he was. We had fun together.
I know that heaven has a real special person and Harry's spine is perfect and someday he and I will throw the football in god's backyard together again. I will always feel it has been a pleasure having known Mike Harrington. Sincerely , Brent Hastings

“ I remember going to my first day of kindergarten with Mike. We were in Miss Margret's class and when we got there we strung those wooden beads on strings. Funny what you remember....I loved his smile and his sense of humor. I remember laughing a lot when I was with him. I remember Mike with great fondness and he will always be a part of a big turning point in my life - starting school. My thoughts and prayers go out to the family. Jann (McFadden) Lucas

Our high school class of 1970 celebrated our 45th reunion the past weekend; we did this with a heavy heart after learning of Mike's recent passing. Mike was very popular with his classmates, and my personal memories of him go back to 7th grade through graduation. It's always difficult to lose a classmate and a friend, we have fond memories of Mike but his loss has saddened all of us in the class of CF 1970.
