“ I still remember the Friday night basketball sessions with Mike, Diane, my younger brother and myself in Carroll. I want to honor the Settle family for all the lovely summer and holiday visits I had with Diane at their home in Cedar Falls. It was always an adventure to see what each family member was doing. I can close my eyes and see spending time in your back yard with the most charming toddler, Jenny, sharing her thoughts in her wading pool. And to this day, I am still a big fan of blonde brownies.

“ *RIP Mike. I'm CFHS class of 76 too. I remember you in school, I always thought you were cool. You were friendly, would say "hi" or politely nod at me. May God give comfort and strength to your family as they navigate this part of the journey.*
