“ *We send our thoughts and love to dear Mother Darlene and Brothers Steve, Jon, and Brian during this time of adjustment to the sudden loss of Michelle. She was a pre-teen when we knew her in Le Mars in the 70s but we enjoyed the reconnection at her father Tom's Funeral a few years ago. The many years with our horse, Thunder, helps us relate to the joy she found in her love for horses. May you all find peace in good memories. Wayne & June Marty*

“ Michelle and I shared every birthday together for the 10 years that I lived in Iowa. We closed the Sweet Basil for my 30th (her 31st) and had a pool party inside the Cafe. So many stories....her ferret attacking my ankles (I was in the bathroom), ended up standing on the toilet!adventures in Mexico

“ My memory was back at church when her dad was pastor and we became fast friends. She and I celebrated the same birthdays which we thought was so cool. She also invited me to her grandparents farm and it was there I learn how to ride a horse. Boy that was back in 74 but I will never forget it. Wonderful times.
When the sunset of sorrow be fails you, look by your side, an Angel of God will always be with you to comfort and strengthen you. My prayers are you . Allison Ketter

“ So many memories of Michelle as a baby and small child. Happy times. I still have a stuffed dog that she played with as a baby when my mom cared for her. So sad for all your loss. Love, Sharon (Young) Reed

I have known Michelle since the 90's, we've lost touch over the years but ran into her about 10 years ago. We always had a great time together and she had a huge heart! We laughed a lot together and we were always there for each other when one of us needed something. I wish we wouldn't have lost touch. She's very special.
