How will I go on without yo I. I have had you for 35 years. God needs you now to do his work. I will see you in my dreams. You can visit me anytime. I love you. I will see you in heaven. Watch over the girls. Show them that you are an angel and they don't have to be afraid. R.I.P Baby Girl. Until we meet again. Why did you have to help the Vikings out on Sunday. That is cheating..love Mom

“ *I am so sorry you have lost your sister, daughter, friend, and mother. To Emily and Maddison, know she will always be watching over you. I know it's hard to find comfort in anything right now, please take a little bit in knowing this. I lost my mom when I was young and discover hints of her at the most unexpected times. I am praying for comfort and peace for all of you.*

“ Mike and Lori - I cannot even imagine the pain you are going through right now... I hadn't seen Michelle for years, but I remember well when she was very young when you lived by Cloverleaf.... she remains in my memories as the little, long curly haired, happy big sister to Mike and Sara... I am so sorry for your loss - cherish the memories you have - remember she will always be with you in your hearts.

“ *I have loved you from the minute I found out I was pregnant. Many told me to give you to and older more experienced couple. There was no way I could ever do that. I made many mistakes but I always did the best I knew how. You will always be in my heart. I don't know how I will go on without you. If you didn't live with me we talked every day unless you were mad at me. Yes, we had our fights, but only because I wanted the best for you and the girls. I hope you will come to me in my dreams. I need to hear your voice. You will always be my baby girl. I love you. Forever in my heart Chell. How am I going to live without you. I love you! Mom.*

“ *i was lucky enough to have so many memories of us growing up together. she was my best friend since 3rd grade up until we went in different directions about 18 19 years old. nobody else has really ever claimed that title since. we had crazy fun and a great time together weather we were hanging out in our bedrooms or skating at skateland. so much of her has made me who i am today and i was thankful for the friendship we shared. i will always think of her and for me she can not be forgotten.*

“ No heart breaks alone for God is always near. When a prayer is whispered God is always there to hear. When sorrow's overwhelming, He comforts tenderly. A single tear never falls that he does not hear.(Psalms 65:2) Sorry for your loss.
