“ I have only wonderful memories of Mitch at Clemons every bus ride, those were the days, flying up in that back seat with every bump the driver hit.

Michelle was my best friend at Clemons and I am so happy to have been part of the family back then, bowling and hanging out at the house.

Prayers for your family, God is with you.

“ So very sorry to see in the "Courier" of your sad news. I cant imagine how hard this must be. The last thing you need is one more person telling you to "hang in there." So I'm just asking God to remind you how strong His hold is on you. God's grasp on us is much stronger that our feeble grip on Him. Please call me at 319-346-2200 so I can talk to you in person. Perhaps you, Carolyn, and I can get together for lunch some day. Your dear friend from the bank, Marcia Allspach.

“ Mitchell, I'll miss all the days of "shooting the bull" with you. I'll have a beer and think about the 20 years I was fortunate enough to know you. I'll tell the man to let you in right away so you don't have to wait at the gate. Love ya.
