

Molly Morris

September 24, 1986 - October 9, 2023

CEDAR FALLS – Molly Michelle Morris, 37, died on Monday, October 9, 2023, at the Cedar Valley Hospice Home.

Molly was born on September 24, 1986, in Cedar Falls, IA, the daughter of Dan and Juli (Krull) Morris. She graduated from Cedar Falls High School and earned her BA degree in Human Resources from Upper Iowa University.

Molly loved life and all people, and spent her career working with a variety of people including the elderly, software engineers, and people who needed physical therapy.

Molly loved spending time with friends; her door was always open. Her favorite things were opening her home for gatherings, cooking, gardening, traveling, nature, trivia, crossword puzzles, asking you what your favorite part of the day was, and the color orange. Oh, how we will miss her! We will cherish the memories of her kind, gentle, loving and independent spirit!

Molly is survived by her parents, Dan and Juli of Cedar Falls; brother, Taylor (Danielle) and their daughters, Rosie and Charlotte of Cedar Falls; brother, Riley (Lauren) and their sons, Arlo and Odin of Cedar Falls; sister, Claire Morris of Cedar Falls; grandmother, Alvira Morris of Cedar Falls; grandfather, Don Krull of Cedar Falls; and several loving aunts, uncles, and cousins.

She was preceded in death by her sister, Meggy; grandmother, Betty Krull; and grandfather, Sid Morris.

A gathering to celebrate Molly's life will be held over the Christmas holiday.

Our granola girl would feel honored if you planted a tree or other plant somewhere in the world. Memorial contributions may be directed to Cedar Valley Hospice, Hope City Church, or an equine therapy nonprofit in Molly's name.

The Morris family would like to have friends and family gather to honor our Moon child Molly!
