“ Dear mom, I know its been a long time and that no one will ever know to read this because you have been gone for 4 years. I want you to know that I love you. We didn't get to say that as much as I am sure that we would have both liked to. I just want you to know that I think of you often and miss you at the weirdest time:) I somethimes get angry becuase every one tells me you were such a great person and I didn't get to see that as much as I should have. I hope that you are somewhere perfect, safe and happy. I hope that you are watching over all of us and keeping us safe.
I Love you alays,
Starr

“ I was so sorry to hear of Mona's passing. She was a very sweet person. We spent a lot of time at each other's houses when we were kids in Cedar Falls. I have thought of her often through the years, always wondering where she moved to.

I will always remember the fun we had. She had a great smile. The picture of her is the same as I remember her, except her hair was shorter then. My deepest sympathy to you all.

“ *To Mona's Family:
I am saddened to learn of Mona's passing. Since we were both "W's", we were in Home Room together at school.
May God give you comfort, peace, and healing during this time of sorrow.*

“ I will miss the surprise "Hi, how are ya?" of my dear friend. Mona and I saw each other unexpected 4 or 5 times in the last 5 years. It was always a couple of quick last steps towards each other as we would hug and just hold each other that seemed like minutes. She was and always will be my dear friend. I did all I could for here when Rhonda passed away and ever since then, I would always smile, just to see her come through a door. My thoughts to all the family.....We all did what we could. My heart hurts for her one last time. Mona deserved some "True PEACE" in her life. She is finally "there." She ishome. Bye hun. Bobby

“ To Starr:
I am so sorry to read of the loss of your Mom. I don't know if you remember me but you were a student in my home economics classes at Kennedy. I have not seen you since high school but I know how sad this must be for you. My sympathy to you and those who loved Mona.
