“ Our deepest sympathy is extended to your entire family. Mona was in the same Western Home room as my husband's aunt the past several weeks, so she became a bit familiar to us! We hope happy memories of her help to ease the sadness you're feeling now. After reading Mona's obituary in the Sunday Courier, I quickly realized that your family recently suffered another loss in the death of Craig's mother. Craig, my husband Patrick Moore and I (Mary Ann Marchese) were your classmates at West Jr. and West High. What a small world it is! The best to all of you during the coming weeks and months.

“ As I have known Mona through the years, we many had happy times together. When I was still in Cedar Falls (many years ago) we were together at 1st Baptist. Then after my mother (Alma Bunnell) moved to Western Home I would see Mona in the dining room or the hall when I visited Mother. She always had a happy smile and a cheerful greeting. My sympathy to the family at this time. God give His peace to you.

“ I send thoughts of caring and sympathy with hope that they can be a source of comfort to all. Life, as neighbors in the 18th/Campus/NU High areas, offers us many poignant memories of times past. I have been aware that your Mother lived at Windhaven, WHC. I am now living at Windcove, WHC. I sold my house last January because of health issues. Holly Beach Marshall (Madison WI) and Shelly Beach Wolfram (Anoka, MN) join me in extending sympathy. I regret that I will be unable to attend the 11 a.m. memorial services tomorrow. However, my thoughts will be with you at that time. Sincerely,
Berdona Beach
