“ I met "Mrs. Leyen" for the first time when I was 16 years old. Cliff was the first boy I had dated, so I was very nervous about meeting his family. She welcomed me into her home and made me feel very comfortable. I always enjoyed my many visits with her. She always made me feel part of her family. I will never forget her.

“ Wonderful memories from Minnesota. Long talks and laughter shared at the kitchen table. Tents in the back yard or at the campground with Flores grilled hamburgers. Many miles traveled between the Morse home and the Leyen home. Memories and prayers to the Leyen family.
