“ So sorry to hear about Nancy. We spent many laugh-filled moments in the West High Library when we both worked there.

“ Nancy was always constantly guiding me through whatever difficulty I had. She always said I sang too loud but she also said she'd miss me singing when I left. She was a great supervisor and a genuinely caring, smart, and happy individual. We will always have fond memories and I will forever miss her. Thanks for everything Nancy. Miss you!

“ Nancy was more than a co-worker, she was also my friend. We both loved mountain dew and chicken. She was also my Ruzzle buddy. Nancy had a warm heart and a kind spirit, and she truly enjoyed working with scholars of the Classic Upward Bound program. I will miss her more than words can say. Rest In Peace my friend!

“ I've worked with Nancy for over 5 years in the Classic Upward Bound Program. She really loved and cared for her students and worked very hard to help them reach their goals. She challenged them to do their best and was always looking for ways to help her students succeed. She will be sorely missed by all of her coworkers and students. I wish to express my deepest sympathy to her friend, Chuck and to her family and friends.

“ Nancy was a genuine and wonderfully upbeat person. We shared many a laugh over the last 17 years. Those end-of-summer Upward Bound bus trips will not be forgotten! Rest in peace Nancy. My thoughts are with friends and family.

“ I have great memories of the Upward Bound program. It is strange to think I'll never joke around with her again because she was a fun person who helped many young people. I spent my summers at UNI all through high school and even worked with students for a summer when I was in college. The program and the people who make it happen will always be a huge part of my life! Thanks for all your work Nancy you will be missed.
