“ Nancy was a true angel, and you were one of the first people to welcome me and make me feel comfortable. I will always remember your 2 pieces of gum rule. You can have a piece but you gotta take 2. You will be truly missed.

“ So much to say that I can't even write it all! An amazing grandma. Always showed up and brought her great smile! She was kind, supportive, so funny, loved us like her own, and gave the best Gramma Nanc hugs.. We will miss her so so much! To know her was to know love, I am grateful to have known her!
