“ We were introduced to Larry and Nancy, by their good friends John and Betty Manning, in Bullhead City A.Z. Even through our time together was short our friendship was not!

Larry offered to take the six of us, three couples, to Prim N.V. on a day trip in his new six passenger SUV ! It was a fun day -----lots of laughter !

On our return we stopped at a rest area to stretch our legs. Off again we went heading back to Bullhead City when Nancy realized her eye glasses were missing. Back to rest area but this time there was little conversation in the car ! Good news, the glasses were there , bad news, someone had run over them. OOPS, Larry looked a bit sheepish !!! lol

Returned to Bullhead City , had gin and tonic, and talked about what a fun day we had !

To Larry,family and friends we are sorry to hear on Nancy's passing!

With hugs
