“ *I am sorry to hear about the loss of your dear loved one. Please accept my condolences at this painful time. Losing a loved one is distressing and as comfort is needed from family and friends, we have assurance from the Bible that "death will be swallowed up forever" at Isaiah 25:8. It is my hope your family will find strength to endure during the days ahead.*

“ *Sally, I am truly sorry for your loss. Remember all the good time you shared with your parents. All the love and guidance they gave you throughout the years. And I know your life will be very different without them and you will miss them. But they will live in your heart and mind forever. -marlys delagardelle fischels*
