“ To Norma Family, Norma was on my recreation committee at Golden Acres. She was a great person. She greeted all the newbies to our community and made them feel welcome. She ran the bowling activity, And would always say " The shoes and the balls are free" her favorite saying after telling us about the weeks activities . She will be missed her great smile and personality . Please except our deepest sympathy. Love Joe and Paula Bunevith. lot 202 , of Golden Acres.

Normal was my close friend for 18 years. In Chicago, we were like Mutt and Jeff, talking and getting together almost daily. After she moved to Florida, I visited her annually and we talked frequently. She told me I was the only person she could talk to about ANYTHING! We talked about everything. We galavanted everywhere, had many adventures and laughed till we peed our pants. She was one of the kindest, forgiving, gente spirit I ever met. I loved her dearly and always will. My heartfelt condolences to the family. If is a great loss for many who knew her. She was so understanding, always encouraging, always listening and so very supportive and a great deal of fun!! I know she is having a ball in Heaven because she always had fun wherever she went. God Bless her and her entire family.
