“ Doug, Dale and Families,

*I was so sorry to read of your mother's death. I saw her at Dr. Heindl's the day before and realized she was not well. She was a good friend of my Aunt Helen Alcorn's and I spent many Sundays having lunch with them and their other table mates. It was always an enjoyable time. I really appreciated all the help Genevieve was to me in monitoring Helen's health in the last few years of her life. Genevieve was a very caring friend.*

“ Doug, Dale and Families,

*So sorry to hear of your mothers passing. I always thought so much of her. I remember the times we would go to coffee with your parents and my parents at talenas resturant for coffee. Your parents would watch John when he was a baby when we would have bible study. God Bless and will keep u in our prayers.*

“ Doug, Dale & families,

*Please accept my sympathy at this time. I loved visiting with your mom. She was a special person to all of you and to her extended family, one of my favorite aunts. Will miss reading her letters at Christmas time or whenever she wrote. Cherish her writings about the "good old days" and your family history! That is very special.*

“ I'm sorry to read about your mother's death. She was a "neighbor" of my mother, Alma Bunnell, for a few years. She used to select library books for mother.... (Mother died in 2006)I used to go back and visit with your mother, but hadn't been there for many months. Please accept my sympathy.
