“ To the family of Orvin,

*I regret that I will not be able to attend Orvin's funeral, but know that there is nobody I thought higher of. He is one of three people that inspired me to become Department Commander of AMVETS 2005-06, and was there everytime I needed advice or words of wisdom. Not saying I always took it, but he was straight and honest. Rest in peace my friend.*

“ *Please accept our sympathy for the recent loss of Uncle Orvin. He was a Schoville thru and thru, and I loved listening to his stories of growing up with my Dad (Warren Schoville) and his other siblings.*

*I made the mistake of trading with him, knowing that I would not get the better of the deal. My Dad and brother loved to tell the story. Out of spite, I rode that snowmobile as long as I could, and finally traded it too.*

*My fondest memories of him are filled with respect with one of the voices I can still hear distintley. He did his generation proud.*

*Perly Schoville*
