

## Patricia L "Pat" Pieper

September 10, 1935 - August 25, 2021

Patricia "Pat" L. Pieper, 85, died Wednesday, August 25, 2021, at Bartels Lutheran Home in Waverly.

Patricia was born in Oskaloosa IA, on September 10, 1935, to Edwin and Agnes Schultz. She attended Marshalltown schools and graduated from Fort Dodge High School in 1954. She worked many years as an LPN at St. Francis Hospital in Waterloo, before becoming a caseworker for the Department of Human Services. Pat ended her career as an LPN for the Lutheran Home in Cedar Falls. She married Daniel Pieper Sr in Fort Dodge, Iowa. They later divorced.

Pat loved her family, and she loved the Iowa Hawkeyes. Her greatest joy was spending time with family at an Iowa football or basketball game. From the tradition of taking all the kids and grandkids to the Black and Gold Blowout to taking someone along on special trips for basketball tournaments or football bowl games. She loved it all. Her only regret was her health declined before grandson Brandon got to join her on a trip. Instead they often enjoyed pizza and beer while watching the games on TV. The family will be celebrating her life while sporting black and gold and encourage you to join in.

Survived by: three children, Daniel (Susanne) Pieper Jr. of Waterloo, Julie (Matthew) Sowle of Plainfield, and Lisa (Greg) Ellermann of Washburn; eight grandkids, Rick, James, and Eddie Pieper of Waterloo, Jordan (Christian) Sowle of Maple Grove, MN, Alex (Ashleigh) Sowle of Plainfield, Olivia Sowle of Ames, Nicole Walker of Tama, and Brandon

(Michelle) Walker of Waterloo; two step-grandkids, Kirsten Ellermann of Ankeny and Mitchell Ellermann of Waterloo and 4 great grandchildren  
Preceded in death by: her sister, Jean Carlson; her brother, Jack Schultz; and her ex-husband, Daniel Pieper Sr.

“ *Dan, Julie and Lisa,  
Your mom was one of two favorite aunts of mine. She was always so nice and easy to talk too. She always had a smile on her face. I don't know what Grandma Pieper would of done without her. Aunt Pat was truly a wonderful person.*

“ I had the pleasure of sharing my birthday with Pat, for the last 26 years no matter where I was I called Pat to wish her a happy birthday. The first year when I discovered that we shared a birthday I bought her a birthday card implying that she was older than dirt. I learned a lot about life and nursing from Pat and her common sense approach to nursing and I will always appreciate her humor , Your family was blessed to have her as a Mom and grandmother I was blessed to have her as a friend

PB

*I was one of the people that had the pleasure of going to a basketball game with Pat. You saw a different side of her compared to the person you saw at work. She was a great lady and I am glad I got to know her.*
