“ I didn't know Paul well, but loved seeing him every day at Target. He always had a big smile and a wave for me! He was certainly like part of our Target family. We will all miss him.

“ I will always remember my visits with Paul, the many times we had a cold drink together either at Target or at McDonalds. He was always ready to receive the Lord's Supper and know that he was being welcomed into the loving arms of his Lord. May the Good News of the Resurrection bring comfort and peace.

Paul and I were good friends. We spent lots of time at Target over a soda. I recently moved so have missed our conversations. He was always willing to listen to whatever I had to say. He was such a good person. You have my deepest sympathy.

*Paul was like family to us. He loved the Lord and had a kind and peaceful spirit. He was a good listener and cared about others. Last Christmas he played "Santa" by giving gifts to a young family in need. We are very sad to lose Paul and will miss him, but know we will see him again in Heaven.*
