“ *So sorry to hear this news. Paul will be missed. I remember listening to my dad (Bill Schell) tell stories about Paul. And, when I worked at WI, Paul always had a story to share about my dad! They certainly were a couple of jesters! ;0)*

Our thoughts and prayers are with your entire family!

“ *I will always have the cheerful memories of Uncle Paul and the family, huddle in the living room at Grandpa's on Christmas Eve opening presents. Also coming up to Cedar Falls to visit and sleeping down in the basement. All fun memories. Always love to listen when Dad, Uncle Paul, Wally and other childhood friends would get together and talk about their childhood, and now they can get together again reminisce some more.
Betty and I send you our prayers and our thoughts to Aunt Barb, Dennis & Nancy and their families.*

“ *It is with much regret that we learn of the passing of Mr. Paul Zaiser, United States Veteran serving during World War II and the Korean War Conflict.*

Mr. Zaiser was to have flown with his comrades of WWII in May of this year to Washington, D. C. on the Waterloo Honor Flight but was unable to because of ill health. As his health remained fragile, he had no choice but to request that we set him aside from our flight itinerary on the September, 2012 flight as well.

We are saddened that he was unable to partake on this journey but joyful that he is now reunited with so many comrades long gone. Although not with us in body, we know he will be with us in spirit.

*With deepest regrets, The Sullivan-Hartogh-Davis, Post 730

“ *The Cedar Falls Municipal Band and I send our sincere sympathy and condolences to Barbara and the Zaiser family in memory of Paul's passing. I remember Paul as a wonderful musical friend and supporter who came to some many of our band concerts in Overman Park. He and Barbara were always sharing good times in the same spot, telling some good stories about his instrument and musical life back in the day. I also remember living a short time in a house two doors east, and enjoyed seeing his vast collection of old records and phonographs. A fine life for a fine gentleman.*
