“ Perry

*There once was a boy named Perry.
This boy, he was always so merry.
To all, he gave a great smile.
To help others, he would go a great mile.*

*And O how he liked to sing.
Like a voice sent on heavenly wing.
He warmed the souls of many and never asked a penny.*

*To me, he was a my best and most precious friend.
We had adventures it seemed with no end.
One day, life took him from me.
I left to live by the sea.*

*Today, I found you have gone away.
With the lord, you will now stay.
However, I do suspect, that your passing will hold meaning for
many.
One day when we meet again, I will give you a hug and a penny.*

*Dedicated to my friend
Perry Hoff*

“ Just requested Perry as a Face Book friend last week. Worked with Perry as a cook at South Town Lounge in the mid 90's. My most distinct memory of him is when is sung "God Bless Texas" on Karaoke. Not that he was necessarily a great singer...more so the joy on his face while he did so. Great guy...will miss him. Thoughts and prayers for family and friends

“ Petty was a great friend. Go with God and have peace. You will be missed. I will never forget the times we sang karaoke together. The hat you gave me when u got your new one. You Perry would do anything for anyone of your friends and never judge anyone for it. Going to be hard not seeing you around town. Peace

“ In honor of a friend who always brought a smile to my face. I don't think there is another who loved life more than Perry. Always a smile, always upbeat. While it's been a few years since I seen him, I'll miss that smile. He'd show up at our door, out of the blue and make our day. God speed good friend. You touched us all

“ *I can't believe Saturday night was the last time I would ever get a hug or hear him sing or see that wonderful smile....words can not express what I am feeling right now. I worked closely with Perry at Joker's for quite a while. He always had a smile and a hug for me and we worked well together and most of my shifts worked were with him. I always knew that if I ever needed anything he would help if he could. Loved working with him and he always made sure I had supper. There were times he made me smile when I didn't feel like doing anything but cry. He was a great friend and a great man and will be truly missed by so many people. Perry you may be gone but never will you be forgotten! I hope you are at peace my dear friend....*
