“ Growing up in my fathers hardware store, Parkade True Value. I always thought of Pete, as big then life. If a snow blower or lawn mower would not start. Bring it to Pete, he can fix it. If something needed welding, Bring it to Pete. If you wanted to learn how an engine worked, Pete was willing to show me. Pete was one of those people that influenced my life in a positive way. Our thoughts are with you.

“ We are sorry for your loss. We know Derek was close to Pete. I remember Pete enjoying our shock, that Christmas in Dallas that was cold enough for the pond to freeze over. He will be missed by many. Our thoughts and prayers are with you.

“ Dear Thelma, Dale, Debbie & Derek
We are thinking of all of you. We have known Pete & Thelma for almost Thirty years, but have gotten to know them best by Dale talking about "My Parents" and Derek talking about "My Grandparents". To have a family with so much love for each other is something that does not die, but lives forever. Pete left so many good memories that I hope will help you through this difficult time.

“ *Thelma, Dale, Debbie and Derek, We are thinking of you during this tough time. I haven't seen Pete for a long time, but one of the things I remember most about Pete was when he and Thelma would come for Christmas. He had this great laugh when he was watching Derek run around. Our thoughts and prayers are with you all right now.*
