“ To Jenn / Isabelle / Colby & the Gerken family. I knew Phyllis as a resident of Mallard Point in CF. She had some friends that just so enjoyed joking around with her. I got to know a little girl named Isabelle - her brother Colby too, who I realized at some point, they knew each other very well: a part of each other in generations. Small world & what a neat connection & bond from those two Gerken relatives! I'll miss her & those memories we made on that floor @ M.P: as well as her caring & loving personality when we both were at Mallard Point too! - Kim
