“ We were very happy to see "Mr. Doyle" at our Keota 50th high school reunion last summer. I took Driver's Ed with him and remember a few choice comments on my driving. Only "B" I got in high school! I had no idea at the time that he was only 8 years older than I. May he rest in peace.

“ I was one of the lucky ones to be coached under coaches Doyle, Engel and Young. Coach Doyle possessed the unique character to foster excellence in other people evident in his wonderful extended family. Gene was always there to tape your “boo boos” both physical and spiritually. All of us that Gene touched are better for it.

“ Gene and Sandy Doyle are two of the most genuine and wonderful people we have ever had the opportunity to meet and get to know - primarily through Laurie and John Lynch. It is very sad to hear of Gene's passing this past Sunday. We send our most sincere and heartfelt condolences to Sandy and the entire Doyle family. Our hope is that all the great memories of Gene will help the Doyle family through the coming weeks of sorrow and loss, and that Gene is enjoying the reunion with his parents, brothers and grandson Spence.

“ Sandy and Family, Bonnie and I are saddened to learn of Gene's passing. Our paths have crossed in so many ways, freshman football at UNI, coaching together at Dubuque Senior, competing with each other as wrestling coaches, and Sandy babysitting our boys. During this time I always looked forward to talking with him and seeing that smile on his face. We will miss him! We will keep in touch.
