“ *I first met Dick at dialysis. There is not a sweeter, more kind man. He would always have a smile on his face. When we asked how he was doing, his answer was always the same, "Oh, I'm hanging in there." As difficult as it is going to be without him, I am happy for him that he is not in any more pain. No more pain, no more dialysis, no more wounds. Fly high and free my sweer friend. Until we meet again may you rest in peace.*
