“ *I want to express My sympathy to Dick's family. I first met Dick when I started working for UPS in Des Moines, Iowa. We became friends instantly. We both moved on in the company. I returned to the Waterloo area. I was happy when Dick became the center manager there. We rekindled our friendship again. Dick was more than a center manager, He was My friend. I will miss Him always.*

“ My condolences to the family. Have many memories working with Dick. Was someone you could count on, had high integrity and a positive outlook on life and his work. I time studied Dick back in his driver days when he delivered the Iowa State Campus. We always talked about that through the years. I thought he was going in a office and I followed but I went into the ladies bathroom. He never would let forget it. I had a long relationship with Dick and he will always have a place in memory for the good times and being a great guy. Again my condolences to the family.
