“ I didn't know Rich personally; never had the privilege of meeting him. Met some of his family through his parents (Roy being my cousin). I heard many great things about Rich from my sister Carole Deeds. I am so sorry for your loss. Keep Rich's wonderful memories and his strength in your hearts so that they may comfort you at all times.

“ Where do begin to explain how a person (me) meet a man like Rich Kime and bought their family house on St Johns court in Bettendorf Iowa would make a forever impact on my life. I have yet meet a person that was more full of positive energy and life in my life. You can tell that his energy spread to everyone around him and his wife and kids. We shared some good times drinking some beers in the garage playing poker and just laughing. It was so clear that his family was #1 and that I respected so much. I'm so sorry for his passing and my heart is a bit broken. Love ya all Rich Furne

“ As a child, I spent a lot of fabulous happy time at the Kime Home. Ricky was always a bit silly and was often playing pranks on his older sisters. I didn't ever get to know much of him as a boy, but a few years back I was blessed to meet Ricky (sorry, he'll always be Ricky to me) again...what a fun, generous, talented, enjoyable person he was!! Still silly and refusing to become too "grown-up". Well done, Ricky!

I graduated PVHS with Richard. I remember he seemed to always have a smile, a one-liner, & a laugh ready, and the smile shown in the newspaper is the same one he had in school. Rest in peace, Richard. You have finished the race.

It's been a while since I've heard from Rich, so I looked him up on Facebook and while doing so, I learned he passed away. Very sad to learn this. Rich and I served together on the USS Pargo stationed out of Groton Ct. Wonderful shipmate and friend. Rich always saw the best everything one and if you every needed anything, Rich was always willing to help. After a 6 month deployment to the Mediterranean, Rich's folks came to Groton to welcome us home. Byron and Cathy, wonderful folks, made us feel part of they family. After getting out of the Navy, I kept in touch with Rich from time to time but never and talked about meeting up, but never got around to it. Rich, you were a great friend and shipmate. Prayers to your family.
