“ *Bea and Jason....this is MaryEllen., Rick's first cousin. When I heard of Rick's death from my brother, Jim, I replied that Rick was always my favorite cousin. We used to have so much fun in the basement if Aunt Beryl and Uncle Onie's, playing rock and roll (no one had more 45s that Rick did!), dancing, and just having fun. Bea, I've just read these beautiful tributes to the man Rick was, and I hope that they bring you comfort. It's been a long time since I last saw you and Rick, but I well remember your lovely living room, and Rick's pride in Jason's orchids. I wish we had been in closer proximty. I send you and your family love and virtual hugs on Rick's passing.*

“ *Bea - So sorry to hear of Rick's passing. My mother, Connie Thomas Erne, was two years behind him and always spoke fondly of him. He always had a smile on his face, when you'd both pass by me at the CFPL. I'll always remember the fun time we had during an in-service, when we did Laughter Yoga. Keeping you and your family in my thoughts.*

“ Rick once told me that one's purpose in life should be to help others. And he clearly showed that in the way he lived his life. He was a fiercely loyal friend who made work and life so much more pleasant for those around him. Years ago, I was part of a carpool with Rick, and when there was a major snowstorm, I knew that we would be the last ones to leave the parking lot - Rick would insist on helping everyone else to get out safely. Years later when I was no longer at Deere, we commiserated together as we worked our way through Y2K at both of our employers. I cherish the memory of all the Saturday morning coffee and conversations we shared. He taught my daughters to drive, too - and probably saved my sanity in the process! :-) Rick was such a wonderful influence on so many people he met in his life and will be missed by so many who knew and loved him. May his memory be as great a blessing to others as it is to our family.

“ Bea, Jason, Tod and Jan you all have my sincere condolences. Have many fond memories of growing up as neighbors. With only one house separating us we were always at one or the others yards playing and getting into trouble. Ricky was always up beat and carrying on about his favorite artist Elvis Presley. I think he had every hit 45 record of Elvis at the time. May the memories of the life you shared with him comfort you the years to come.
