“ My wife Jackie and I are so sorry to hear about Richards passing. Our heartfelt condolences go out to Patti and the entire Olsson family. Dick and I grew up together just a couple blocks from each other. I have many fond memories of spending time with Dick and his family as we were growing up. After high school I moved away from Iowa, but had the opportunity to visit with Dick and Patti on a couple of visits back home. He shared with us the most incredible record collection we had ever seen. We will all miss him greatly, Rest in Peace my Friend.
