“ *On behalf of the Roger Blum family from Spokane, WA, we send all of our love, respect and prayers. We enjoyed his visit when he came to visit us all. I remember the extra twinkle in my Dad's eyes and his big hearty grin when his brother was here. Dad was never really complete without a close connection with his siblings and family. I also remember how he got Dad excited about couponing!! There is never a time when we see a JOHN DEERE logo that we don't think of Uncle Robert. Even though we are miles apart, we share in your grief. Our hearts are with each of you. Debbie Lenius and family, Robert Blum and family.* 🙏🙏❤️

“ *I loved my Papa! He was a couponing King! Maybe that's why I love a good deal. He would shop the Econo Foods and double triple coupon and then have us grandkids stand in line to use the other coupons in a different transaction. Or when he'd drive us down to the wonder bread store and get us our mini breads. Those were the days. Love ya Papa. -Dani*
