“ My husband worked at Wonder Bread and got acquainted with Bob there and I remember when you moved to the farm. We would go out in an evening, usually Saturday night, and as we played cards the kids would fall asleep and we would carry sleeping boys home to bed. Those kids are all grown now and Bill is deceased but it was still a pleasure to run into Bob and catch up on everyone and wave to him as he drove his tractor in the Sturgis Falls parade. Long time friends are the best! My deepest sympathy. Linda Fitch

“ I'm sorry so to hear about Bob. He was such a great friend to my
parents, Clark and Ann Uhl. There wasn't a time when I went to
coffee with dad that "beenie", as my dad called him, was not there
to give a smile, and add laughter to the BS those guys would spread
around. Bob and Rose were wonderful people. It was my pleasure
to have gotten to know Bob. Thoughts and prayers to the entire
family.

“ Bob became a friend as he and Kim had lunch on Sundays with us many times after church. He would become so animated talking with my hubby about Cedar Falls in the old days. They would reminisce about businesses long gone, schools moved, and things they remembered. It was a real walk down memory lane for the rest of us to listen in. He will be greatly missed.

“ Our sympathies to the entire family. Bob (and Rose) were wonderful neighbors and friends to us for many years, before moving off the farm. Bob always had a smile on his face, great stories to tell, and the biggest heart of anyone we knew. It was always good to keep in touch. He stopped to visit this summer, and it was fun to catch up. God's blessings, comfort and peace to his family at this difficult time. Brad and Terri

So many wonderfully cherished memories of this kind-hearted man, and his entire family. It was expected that we sat at our kitchen table teary eyed trying to read his obit; remembering times at Bob and Roses table with all the kids. A virtual laugh factory!! Our deepest sympathies to the Carbiener clan.
