“ Margaret, Kris and entire family.....my deepest sympathies go out to you all. I remember Bob when I would be at your house all the time as a punk kid. He would always give me a hard time and I would dish it right back. I have wonderful memories of him and send prayers to you all during this difficult transition.

“ Kris and Dave,
*My thoughts and prayers are with you and your family at this time of saddeness. I didn't know your dad Kris but knowing you he was a man of honor and integrity. He is now sitting with Christ and visiting and telling him all about the plumbing business.
let the memories you have shared carry you throught this time of sorry and your prayers bring you closer to your dad.*

“ I just saw Bob about a couple of weeks ago at the post office. Strange how you never know the last time you will ever see someone you've know for years. My condolences to his wife and family. May your memories console you during this time of grief.
