“ Uncle Bob captured attention when ever he was around. Listening to he and my dad (Howard) tell stories of when they were growing up was so entertaining! His laugh was infectious! They'll never be another "Uncle Bob". Rest in Peace.

“ I will always remember Uncle Bob's sense of humor and the way he could tell a story or a joke....he would look sideways at Dad and those two would giggle like kids. But mostly I will remember how it felt whenever the families got together.....those are special and unforgettable times. Rest in Peace Uncle Bob...you will be greatly missed. Dan

“ It's been a tough go for some time, but Bob was always available to help others suffering the same illness. What a great attitude he had over the past couple of years. Will remember coffee at "Panera" and the the EK Christmas get togethers. Rest in Peace.

“ Please accept our sincere condolences for the loss of your loved one. Jesus promises that we will be able to see our loved ones again at John 5:28,29 which talks about the resurrection hope. What a wonderful hope that will be! May this bible thought bring you comfort at this difficult time.

My prayer is for peace and comfort for Lois and the family in their loss. My friendship journey with Klatter began in grade school through high school. The yearbook reflects his incredible talent, wit, love of people, popularity and just being a FUN guy!! Thanks to our class reunions, we were able to reconnect over the past years - and i have been incredibly blessed to have known him and be his friend.
