“ Several years back my husband, Don, and I had the pleasure of staying with Deb's parents at their place in Florida for several nights. Deb & Randy were there with us prior to going to see Iowa play in a bowl game. Her parents were able to spend their winters at a very special place specifically for retired postal workers. They were both so kind and so sweet and so much FUN!!! Their love of life and for each other was very obvious. I'm grateful to have had that opportunity to get to know both of them. They were lots of fun. Her Mom went shopping with us gals while the men stayed there and played games. Her Dad was a real joker and the life of the party while we were all together there. May he rest in peace. God Bless You Bob!!! Diane Wintz
