

Robert David Peterson

January 17, 1943 - December 7, 2021

Robert David Peterson died on December 7, 2021, at age 78. He was born on January 17, 1943, in rural Winneshiek County Iowa, the youngest of six children to parents Oliver and Annie (Sollien) Peterson. Robert (Bob) grew up in the country outside of Decorah. He graduated from Cresco High School. He served in the Air Force from 1963-67 in Minot, ND, where he worked on airplane electronics. After returning to Iowa, he graduated from University of Northern Iowa (UNI) in Chemistry. He taught high school and then worked at John Deere as a chemical engineer for most of his career. He earned his M.A. in Counseling from UNI and incorporated his degree into his work.

With the ever-present twinkle in his eyes, Bob touched many lives with his kindness and compassion, thoughtful listening skills, and amazing problem-solving abilities. He enjoyed music and blessed people around him with his guitar playing and singing. He had a deep respect for the earth, evidenced by his vegetable, flower, and rain gardens. He was a great supporter of his wife's artwork and always knew how to mat and frame a piece to showcase it.

For the last year of his life, he bravely battled a rare disorder (amyloidosis) and blood cancer. When he passed away at home, he was married 25 years to Dianne Bigler Rider Peterson. He was a bonus dad to 7 kids—Mike Rider (Linda), John Rider (Amelia), Jenny Nehs (John), Diane Bremner (Ron), David Rider (Renee), Shannon Hilscher (Jerome), and Nate Rider (Jennifer)—and numerous beloved nieces, nephews, grandchildren, and great-grandchildren. He is survived by his loving wife and siblings Lorraine Ellickson (Murietta, CA)

and Carol Bolson (Decorah, IA).

Robert was preceded in death by Oliver and Annie Peterson (parents), sister Beulah (John A.) Shindelar, sister Sylvia (Blaine) Roberts, brother Alton (Eldie) Peterson, and brother-in-law Spencer Bolson.

“ I had the honor of having a super friend in Bob since we were 15. We spent so much time together working on cars, finding parts for his endless everloving studebakers!! We both went to Ridgeway HS and Crestwood HS and we both served in the Air Force. We enjoyed many good times with Bob and Dianne. He will be greatly missed and my condolences to you Dianne

“ I met Bob on my first day at John Deere, over 20 years we became good friends and shared work duties, went fishing with our good friend Sam, and worked on cars together. I remember calling him after we had painted a Toyota with paint from a guy who gave us a gallon from a barrel he had, apparently he did not stir it as after a couple days it still wasn't dry! But at least the car was one color! And we may have had a beer or two occasionally! I feel blessed to have visited with him just a week before his demise, RIP Bob it was great to have known you!

Condolences to Diane and all the kids!
