“ Dear Carol,
Joe and I are so sorry for your loss and we will continue to keep Robbie's great spirit and sense of humor in our hearts. Robbie and you were the first to greet us at Starbucks when we moved here from Arizona.
Robbie made a difference. She was the "REAL DEAL" and an important part of the Starbucks family.
Our Love to you,
Doug Gaer and Joe Marquart

“ *Roberta's Family: My deepest sympathy and my heart is very heavy, regarding your loss of your loved one. Roberta was not only my FRIEND, but she was also my D.H.S. worker and it was such a joy working with her. She always had an awesome smile and positive attitude. We all have our special memories of Roberta and now that she is in heaven with the angels. I had no idea that she was in the hospital, because I would have been an honor to see her. But, I have my memories. God Bless You All.*

“ I am so sorry to hear of Robbie's passing. I saw her not so long ago and we talked about her enjoying her retirement. I worked with her at the DHS office in my position with BHC-VA. She was a dedicated worker and a great person. Sorry for your loss.

“ very saddened to hear of Robbie's passing. I worked with her when I started with DHS in 1987. I left in 1990 or 91 and we kept in touch for awhile and as time goes on, we lost contact with each other. She was a great co-worker and took her job serious and conducted professionalism
RIP Robbie keep smiling !!!

“ I am so sad to hear of Robbie's passing. She was my 'go to' person for more years than I can remember at DHS, and I will miss her occasional visits to my workplace since her retirement. SHE always had a ready smile and told me so many times that she enjoyed her retirement. She will be missed.
