Roger was born May 12, 1926 in Springfield, MA, the son of George and Ida (Pinsonneault) Cadieux. He graduated from Cathedral HS, Springfield, MA. He attended Notre Dame for 2 years on a football scholarship and then graduated from Georgetown Dental School in 1949. On August 26, 1950 he was united in marriage to Nancy A. Tate in Washington D.C. She preceded him in death in 2013. Roger served in the US Army (1951-1953) as a 1st Lt. in the Dental Corps, stationed in Austria after WWII. He leaves three children: Suzanne (David) Eastman of Cedar Falls, Iowa, Stephen Cadieux of Jacksonville, FL and Paul Cadieux of Somerset, MA; Grandchildren: Amy (Brian) Quinn, Bryan (Dee) Cadieux, Lindsay (Destin) Smith, Tate Cadieux, Christopher (Heather)

“ *I have so many warm memories of your father growing up in Somerset. He was the only parent that actually would join our football games in his back yard and play quarterback and scramble around until he would find one of us open. He also took the time to take us golfing while I sliced almost every ball. Looking back, he certainly had a lot of patience for us as we would either be running into the back yard bushes in football games or playing hockey in the garage. Mostly, I remember just enjoying time with your parents and family. My thoughts and prayers go out to your family and friends.*

“ Attended morning Mass with Roger for many years at St. Patrick’s Church in Somerset. A wonderful and gracious guy who would always have a smile and warm greeting for everyone. As a neighbor, I would always catch his smile as I drove by as he worked in the yard.

I also vividly recall Michael’s visits to my friends the McGowan family (bordering neighbors) to “wish them well and have a good day”, with Dad smiling in the background.

In reflection of this good and decent man’s life I think the simple passage of Matthew 25-21 is wonderfully appropriate..... “Well done my good and faithful servant, come and share your Master’s joy” My sincere sympathy to the entire family and his friends.....

“ I was only two when Roger entered my life by falling in love with and marrying my cousin Nancy. I was not yet three when Roger, who was serving an overseas naval assignment , returned home with a beautiful paper umbrella and a set of oriental embroidered silk pajamas for my slightly older cousin and myself. I won first prize in a costume contest in first grade wearing my silk pjs and carrying my opened umbrella, and my mother used them in many missions displays through the years. I am now 74 and still have them both, carefully tucked away in a cedar chest as a precious memory of my childhood.

Although distance prevented many close interactions, especially after the children started arriving, every opportunity to see Roger and Nancy was a cherished one and much like an extra holiday. Whether they came down to Bristol or we drove up to Bluefield, the visits were always fun family reunions.

I have always been impressed at how tirelessly and devotedly Roger cared for his family, even through the roughest trials. He has been a wonderful example of kindness, compassion, love, and faithfulness. I can easily imagine his eternal happiness in being together again with those he loved so dearly, and though I are sad to lose his earthly presence, I am consoled by thoughts of his joy.
Affectionately, Sharon Emmert Fletcher

“ Uncle Roger was such a good man We all loved to visit and enjoy his humor. Some of my favorite times with him were trips to see the Bosoxs play and especially against the Yankees. Also fishing trips with him, Stephen and granddaddy Tate. The reunion that is going on now with Michael and Aunt Nancy will be really special especially the stories Michael has to tell his Dad.

“ Some of my favorite memories of Uncle Roger were growing up as a kid my family would visit Aunt Nancy, Uncle Roger, Michael, Suzanne, Stephen and Paul. Uncle Roger was so kind, patient and caring. I looked up to him as I watched him love our Lord Christ and had a deep respect for how well He loved Nancy and the kids. He was so patient and caring to all of us. He made sure he spent quality time with all of us. He played a large roll in my love for baseball as he took me to my first professional baseball game. The Red Sox beat my team The Baltimore Orioles. He pulled my brothers and sister and I all over the Taunton river on water skiis, we just had a good wholesome time. Later in life when I was going through some major trials he offered up prayers to me of encouragement and gave me wise advice. I know he is in Heaven loving on Aunt Nancy and Michael . My thoughts and prayers are with Suzanne, Stephen and Paul and their beautiful families!

Dr. Cadieux was the best boss ever! My very first job was working at the office while in high school. That job would be the start of several years working and forming friendships that would last a lifetime. I recall Nancy and Roger together and the loving relationship they had. You could see it in their eyes, and now they are together again. Together they raised a wonderful family, Michael, Suzanne, Stephen and Paul. Thank you Suzanne for posting all the many photos - although I did look at them I know I will be looking at them again. Sympathies to you and all the family.

Paulette...sorry I am just now seeing your post. Thanks for your kind thoughts! Yes, I worked for him too and thought he was a pretty good boss!!! I am going to miss him...but I am so thankful that I had 5+ years with him out here in Iowa. For the past 3 years we have lived only 2 blocks away! He walked to our place for his 93rd birthday (less than .5 miles) to "Prove" he could do it! As I've said earlier...my 3 Amigos are all together now. May they all R.I.P.
