“ Roger and all of the Hoepner family are a big part of my childhood and early adult life. Roger was one of the "big guys" as I was just a kid, but he was always nice to me, and never teased me like the older boys (and my brothers) did. I always appreciated that. The last time I saw Roger (sadly, at a funeral) he was just as nice as I remember and we had a nice talk. Peace to you, Roger.
