“ Aunt Kay, Kelly, Jackie, Kevin, and Jeff:

We were saddened to hear that Uncle Roger had passed away. Wish we could be there to share tears, stories, and memories. One memory that we will always cherish, is Uncle Roger taking the time at our wedding, and reception, to take photographs and video. They are a valuable piece of our personal memorabilia. Our prayers and thoughts are with you.

“ I remember the 1st stereo that I bought through Roger at the old Sears store in downtown Waterloo. He never forgot me whenever I walked into the old downtown store and later at Crossroads. Perhaps it was because I was from Aplington and that he use to be from New Hartford. I like to think that he was a good salesman because he remembered his old customers. I never forgot him. My condolences to the family.
