“ *Uncle Ron always seemed to be there for the important dates in my life. For my 50th birthday we started out the day at Tumwater Falls. I loved his grin as we watched the water tumbling. I love you Uncle Ron. You were always something special!* ”

“ *I love you uncle Ron, I am so happy you were a part of my life! I always enjoyed spending times together stargazing with you, dad and uncle Wilbur.* ”

I will never forget the time uncle Ron, after a family get together, drove home with a glass of whiskey on top of his car. He came out the next morning and there was the glass still on top of the car and not a drop of whiskey was lost!

Uncle Ron, I have always looked up to you. I will keep looking up to you through our telescope, knowing you are a big part of that beautiful universe.

All my love, "Little" Ron

“ *Fried egg sandwiches. I remember Uncle Ron coming to our house in Tipton on weekends while he was attending U of I. He and my brothers would make fried egg sandwiches late at night.*
