“ *Mr. Streed was an awesome art teacher - different, challenging, direct - all good things. In my presence he put a bully in her place and it was a thing of beauty. He was so fearless.*

“ *Streed was my 7th grade Art teacher at Peet. He recognized my talent and encouraged me. He treated me as an equal. He spoke like a poet. I am grateful to have known him.*

“ When he spoke of his wife, his eyes would light up. I remember thinking at the time (even though I was only 14) that I hoped some day that I would have that effect on someone.

“ Mr. Streed was one of my junior high art teachers at Peet. He was such an amazing and fun teacher and certainly someone who I will never forget. He showed me that I did have some artistic ability in me (but very little - I'm not quite sure how he ever saw it!!). I will keep his family in my thoughts and prayers.
