“ *Jim and Rosemary have been in our lives and an important part of our work in China for over two decades. We loved finding time to drive to Waterloo for a personal visit with them and their friends. Our last visits have been with Rosemary, talking about how much she has missed Jim these last five years. We know you, her family, are both rejoicing that she has joined her beloved Lord and Jim and yet grieving the loss of her presence on earth. You are in our thoughts and prayers with love,*
