“ You and your family are in my thoughts and prayers Steve. What I am feeling now is hard to put into words. When Jane called to tell me about Roxie, a hole in my heart opened up. Roxie and I grew up together, played, shared secrets, the sleepovers, the swingshows and our girls trio. I can still see us roller skating up Brewer ST. My grandpa called us all "The Little Rascals" and that we were! I'll miss my childhood friend, but have all the wonderful memories we had together.
"Roxie twinkled and Roxie shined, she left us a lifetime of memories behind". "Goodbye my friend"!

“ I send my condolences to Steve and the rest of her family & want to say how sad I am. When I think of Roxie, I always remember her warm smile & lively spirit. Besides being classmates we both attended the Presbyterian Church. We went to Sunday school, fellowship meetings, confirmation, and summer Bible school together not to mention birthday and slumber parties & other fun times. I have many memories and photos/movies of her from our childhood days.
