“ Our sympathies to you all as we hear that Willie has died. Glad to hear, however, that Bob is doing relatively well in their/his new apartment in Marshalltown.

Prayers of thanksgiving for Ruby Wilmouth's life; grief that she had such difficulty with her health, and now at her passing.

Joy and peace to you as we remember the promises of our Savior and Lord; "I AM the Resurrection and the Life - whoever lives and believes in Me shall never die." from the Gospel of John, chapter 11
