“ *Linda - I am so sorry to read about Sally's death and am equally sorry I won't be able to attend the services. I am in NC for another week at Monica's. The memories of Sally and all the parties with you and the rest of the family are so much a part of mine and the girls' lives. Sally was so caring and willing to help anyone. I am so thankful I saw her recently at the Western Home. Please know my thoughts are with all of you at this most difficult time. Love, Donna Hall*

“ When sally was in her condo we would play cards or games almost weekly. She lived on the same floor as I did. She loved cards and always had a nice treat for us to eat. She was a joy and always had a great smile. My condolences to the family.
