“ Dear Chad, Brad and Family,
It was with a heavy heart that I learned of the death of your mother and grandmother Sandy. Her death coming so close to those of your father, Dennis, and grandmother Jean surely is a heavy weight on your heart.
I treasure the friendship of all three of them and remember fondly dinners at your parents' home.
I will offer a Mass for Sandy's eternal rest within the next few days. Be assured of my remembrance of her as well as your father and grandmother in my prayers.

“ Sandy and Denny were our backyard neighbors. My husband and I would stop to chat whenever we saw Denny or Sandy outside. Sandy would be gracious and offer a refreshing glass of ice tea when it was really hot outside. After Denny's passing I would pop over for a chat and share a plate of homemade cookies (she loved gingersnaps). This past late summer/fall we helped pull weeds and trim bushes while Sandy occasionally sat on the front porch or back deck. Sandy always said she was looking forward to doing more yardwork when she felt a little better. We made a date to sit in the sunshine on her back deck next spring. Sandy had a sweet and gentle spirit and we will dearly miss our back yard neighbor and friend.

“ When we think of Sandy, we think, since she was an English teacher, of the words compassionate, dedicated, devoted, fun-loving! Bless her for all she’s done with and for others, both as a teaching professional, and in her church and community involvement. She will be missed greatly but she will continue being a part of what we do by what she has already given us. Rest In Peace, Sandy! Marsha & Nick Nichols

“ Jan and I would like to offer our condolences to you Chad, Brad, and your families. We saw your Mom at grandson's events. She (and your Dad) had a quietness about them, and we are privileged to have known both of them.
