“ *Eric and I were so sorry to hear about Sandra's passing. We remember Sandra for many wonderful qualities but her smile and cheerful upbeat personality are the first that come to mind. She was a great cook and devoted mother. She shared a recipe years ago that is still a favorite in our family and appropriately named My Three Sons Chocolate Cake. We send our deepest sympathy to Dean and the entire family.

“ I was so sorry to hear about Sandra. We started school together in kindergarten at the old Humbert School and graduated together. After I left Iowa I would try and look her up every time I got back that way. She even took me to a couple of auctions. We had many chuckles and laughs together. Even though I saw her rarely I will miss her.

My deepest sympathies to all the Snodgrass family.

“ I worked with Sandra at Job Service of Iowa for several years. She was a very good employee, as well as being a very social person. I remember her as almost always smiling and being a very enjoyable co-worker. So sorry for your loss.

“ My heart and my prayers go out to Sandra's, family and friends. She was a great lady and loved by all who knew her. We grew up in the same CF neighborhood along with several other girls, As we entered our teen years, we made more friends, and that group continued to keep that friendship thru the past 70 years. We will miss her, but we still have our precious memories. .She always made us smile Rest in peace my friend and God bless Dean, Jim Joel Jeff. & Jim Sheerer and your families. Pat Vognsen
